## Festival: „The Winter's Tale in Ancient Kyiv“ December 13 – January 19

The real Christmas month-long mystery play will take place in „Kyiv Rus“ Park. Characters will change each other depending on the subject of holidays – you will see St. Nicholas, Santa Claus and the Virgin Mary with the Holy Child. Theatrical performance will be fleshed out with graceful and intelligent horses from stables of the Prince of Ancient Kyiv. They will be actors on the course: black horses symbolize evil forces, and white – good ones. Visitors will learn a lot; feel the wisdom of our ancestors through ancient Slavic traditions and rituals. And, as expected during the winter holidays, all are for a bunch of fun and active entertainment: riding the ice slides, battle of snowballs, assault of snow fortifications, and of course sledding with horses put to the cart.
