

Young Professionals Program is intended for successful young employees who have potential to become business leaders. The Program envisages workshops, trainings, lectures and benefits, which will support the young professionals development and will enable them to build a cross functional network of peers and cross generational network of managers.

The Young Professionals Network will be a group of pro-active, high potential and highly motivated individuals in an age-range of 20-35 years, in their careers at member companies of the American Chamber of Commerce in Moldova.

The trainings/workshops will take place once per month and will be delivered by Moldovan Top Managers and successful business leaders, as well as trainers from abroad. The most promising young professionals will be awarded once per year.
