

## **NOMINATION FORM**

If you are interested in being considered for nomination to the AmCham Board of Directors, please complete this form. This will allow AmCham Office to effectively and fairly evaluate all candidates for the Board of Directors openings.

It is recommended that you speak with a current Board member regarding the time commitments, responsibilities, etc., associated with serving on the Board. This will help you to determine whether you would like to serve if nominated to the Board.

## Thank you for your interest in serving AmCham!

## **STATEMENT OF INTENTIONS**

Due to the fact that the business community in Moldova is relatively small and many of AmCham's members already know each other *this section is optional*. However, we strongly encourage you to write a small description (200 words) of your motivation to be elected and serve on AmCham Board of Directors. This statement will be distributed to all AmCham members before the election on April 24. Your statement should address the following: "If nominated and elected to the board..."

•	What goals and objectives do you feel necessary for AmCham?
•	Why do you want to serve on the AmCham board of directors?
•	What measures would you propose to promote Moldova to the USA?

## IMPORTANT! Please read the following statement and sign it

I realize that being on the Board of Directors requires a significant effort on my part as well as my personal time.
I know that the Board of Directors meets a minimum of 3 times per year for 3 - 4 hours per meeting, where they
consider and vote on various issues concerning AmCham and its members. So, herby, I promise to do my best
and properly fulfill the responsibilities assigned to a Board member. Otherwise, I realize that my sit on the Board
of Directors may be forfeited.
