

AMCHAM MOLDOVA

YOUNG PROFESSIONALS PROGRAM

Program Mission

To develop AmCham members' young professionals by providing a platform for dialogue among industries' professionals, as well as to serve as an educational, networking and information exchange forum.

About the Program

AmCham Young Professionals is a one-year Program intended for successful young employees who have potential to become business leaders.

The Program will be based on monthly meetings with top executives and business leaders, professional trainings, and team-buildings activities aiming at creating a group of proactive, high potential and highly motivated individuals in an age-range 20-35 years, in their careers at member companies of the American Chamber of Commerce in Moldova.

The Program aims fostering professional growth and skills development through exposure to private community and business leaders. It also provides unique business and social networking opportunities to build participants personal and professional relations, develop career skills, and work with other young leaders to achieve success, thus becoming the next generation of business Leaders.

Within the Program, AmCham Moldova will follow experience of its colleagues from other European AmCham`s, where through this type of programs most promising young employees are being constantly developed.

The most promising young professionals will be awarded once per year.

Program Goals:
