A large, dark tractor is silhouetted against a bright, hazy sunset sky. The tractor is positioned in the center of the frame, facing away from the viewer. The sun is low on the horizon, creating a strong backlight effect. The foreground is dark and blurry, suggesting a field or farm.

# **MOLDOVA**

# **Farmer to Farmer Program**

# Background

- CNFA implements the USAID-funded Farmer-to-Farmer Program in Moldova, Ukraine, Belarus, Georgia, Tajikistan, Uzbekistan, Kenya, Tanzania, Uganda, Angola, Malawi, and Mozambique
- First FTF activities were implemented by CNFA in Moldova from 1996, in association with a larger Agribusiness Development Program.
- Current FTF contract began in October 2008, with a plan to conduct 125 volunteer assignments before October 2013.

# Mission

Empower disadvantaged rural communities to increase income through entrepreneurship, private and cooperative business development, and market access.

## Specialties:

- Mobilizing Americans to volunteer to provide training in developing countries
- Farmer commercialization and development of market linkages
- Engaging private enterprise in expanding business with smallholders
- Development of sustainable programs for providing business skills training
