What is PayWell?

PayWell Moldova – Salary and Benefits Survey is an annual Human Resources study conducted by PwC.

It is designed to assist the HR professionals and companies' decision-makers to develop competitive remuneration policies that attract, motivate and retain talents that support the business strategy.

PayWell reports are available in English and provide information both on compensation and benefits policies practiced by companies from the Moldovan market.

PayWell Moldova 2016

- 27 participating companies
- 5 industry sectors:
 - ✓ FMCG & Industry
 - ✓ IT
 - ✓ Telecom
 - ✓ Banking
 - ✓ Overall market
- 8,709 employees
- 768 benchmarking jobs

Salary data

PayWell report presents statistics for an extensive set of benchmark jobs, in the following format:

- Mean, median, lower and upper quartiles, 10 and 90 percentiles for the following values: **monthly gross salary**, **annual guaranteed cash** (i.e. monthly salary x 12 + fixed bonuses), **annual variable pay** (performance bonuses and/ or sales commissions), **total annual cash** (monthly salary x 12 +fixed bonuses + variable bonuses);
- Information on the number of **job holders** and the number of **companies** that provide data for each job;
- **Benefits value** per year;
- **Car value** (total acquisition price).

Compensation and benefits analysis report

The report analyses compensation and benefits policies applied by participating companies. The information is presented for the entire sample of companies and across sectors.

- ***Analysis of compensation policies***, e.g. salary policies, fixed bonuses, variable bonuses, entry-level salaries and probation period, holiday, overtime and flexible work policies, employees relations, special compensation programmes (relocation, retention);
- ***Analysis of benefits offered to employees*** - for each type of benefit the report presents information on the staff category that receives it, the cost and the utilisation policy.
