

Opportunities for Romanian Businesses

October 19-20 • Hilton Athenee Palace • Bucharest

Grow Your Business

Connect to U.S. companies looking for business partners, and to U.S. locations that can help you expand in the United States!

Trade Winds-Southeast Europe is a U.S.-led trade mission to Bucharest, offering regional companies the chance to connect to potential partners, new customers, expansion opportunities, and market experts. Join the Trade Winds business forum to take the next step in growing your business!

Business Development

Focused business conference, highlighting opportunities and challenges throughout the region.

Expand in the United States

Dedicated program highlighting opportunities to expand in the United States and grow your business.

Networking

Meet industry and government leaders at high-profile business networking events.

Assistance from U.S. Agencies

Learn about development, financing, and technical support available from U.S. business locations and government programs.

Only \$350 USD to attend!
