

Doing Business with the USA seminars
Comrat - March 29, 2012
Tiraspol - April 12, 2012

Sponsorship Opportunities

The Doing Business with the USA seminar aims to provide participants with information about developing trade and business opportunities with the United States, and finding U.S. partners and U.S. government resources available to facilitate these opportunities. The seminar will cover topics that include existing U.S.–Moldovan opportunities, the role of U.S. trade shows in building your business, and success stories from Moldovan firms. Participants will learn about specialized U.S. government programs targeting businesspeople.

Representatives of the U.S. Department of State, U.S. Department of Commerce, the U.S. Agency for International Development, and members of the American Chamber of Commerce in Moldova will deliver presentations during the seminar.

The Doing Business with the USA seminar is mainly aimed at business community. Various media outlets will be attending and will ensure that the event gets maximum exposure.

We would be very grateful if your Company could consider a financial sponsorship of **500 EUR/1000 EUR** to promote the **Doing Business with the USA** in Comrat and/or Tiraspol events.

In exchange for your contribution, AmCham Moldova will make the following marketing efforts:

- **Your Company's logo** will be prominently displayed in all event's printed materials and on the AmCham website;
- **Your Company's logo** will be prominently displayed on the event's banner placed at the seminar facilities during the entire event;
- **Your Company** will be allowed to place Company's banner at the event's facilities;
- **Your Company's** promotional literature will be included in the event's materials package;
- **Your Company** will be mentioned as a sponsor in the event press release.

Thank you in advance for your continuous support!
